My Contact details are as follows:

Nature & Scope of Advice

We provide financial advice on investment about a wide range of KiwiSaver products, a wide range of managed investment products, NZX50 and ASX200 equities, and government and corporate bonds. We work with the following product providers Booster, ANZ, Fisher Funds, NZ Funds, Milford, AMP, Amova and Generate. We do not provide financial advice on all investment products.

Limitations

We will base our advice on your personal goals and circumstances that we record in a Client Needs Analysis and any additional information that you provide to me. These goals and circumstances will be summarized in a Statement of Advice. We will not provide advice on existing whole of life or endowment products. You will need to consult a specialist regarding these products.

This is not a financial planning service, and as such, our advice is limited to the capital sum you are looking to invest.

We do not provide any advice in relation to tax. We recommend you consult a tax specialist if you need advice in this area.

Fees & Expenses

There is no fee payable for the provision of our investment advice. The HTL Group receives ongoing commissions and/or a portfolio servicing fee should you choose to invest. These fees vary depending on product provider and/or the amount invested and will be detailed to you clearly prior to you agreeing to invest.

My obligations to you

As a Financial Adviser, I / we have a duty to:

- Give priority to your interests by taking all reasonable steps to ensure my advice is not materially influenced by my own interests.
- Exercise care, diligence and skill in providing you with advice.
- Meet the standards of competence, knowledge and skill set by the Code of Professional Conduct for Financial Advice Services (these are designed to make sure that I have the expertise needed to provide you with advice).
- Meet standards of ethical behaviour, conduct and client care set by the Code of Professional Conduct for Financial Advice Services (these are designed to make sure I treat you as I should, and give you suitable advice).

Conflicts of interest

I am remunerated by salary and potentially by a discretionary bonus, both of which are paid by The HTL Group.

I am also a shareholder of The HTL Group, meaning I could be paid dividends dependent on company performance.

To ensure that The HTL Group's financial advisers prioritise each client's interests above their own, they follow an advice process that is designed to ensure their recommendations are made on the basis of the client's circumstances and financial goals and are suitable for the client.

The HTL Group also:

- ▶ Has a quality assurance programme in place to monitor the advice our financial advisers provide.
- ▶ Ensures training is provided to all financial advisers about how to manage conflicts of interest.

Reliability history

Neither The HTL Group Ltd nor I have been subject to a reliability event. A reliability event is something that might materially influence you in deciding whether to seek advice from me or from The HTL Group.

We cannot guarantee returns

Based on our research and your personal circumstances, we will make recommendations that we believe are appropriate for you.

However, we cannot guarantee that they will perform in a particular way. The performance of each product depends on investment markets and the features, risks, fees and charges in relation to the product.

These items will be detailed in the Statement of Advice and, where relevant, more detail is outlined in the individual Product Disclosure Statements of the providers.
